

release year

2025

dimensions | weight

~16" diameter x 20" h | 60 lb

material composition

reclaimed materials (various sources) set in a clear binding medium

color composition

available in curated textile palettes | custom textile blends may be commissioned to achieve specific tonal direction or project requirements.

process

handcrafted, hand-cut, and individually curated

custom orders

approximately 5 weeks from confirmed color selection | shipping time calculated separately based on destination and delivery method.

general note

intended as a sculptural object for interior use only | due to the nature of reclaimed textile composites and the handmade fabrication process, variations in fiber distribution, tonal range, surface patterning, dimensions, and weight are inherent and expected | each Herencia Totem is unique
